

# LEADERSHIP REYNOLDSBURG

Leadership Reynoldsburg extends the invitation to individuals committed to a better tomorrow and who are motivated to assume leadership roles in Reynoldsburg today. Applicants will be chosen from a diverse and geographic cross-section of business professional, educational, governmental, and non-profit organizations as well as citizens at large. The program runs for nine months with one session each month. Topics include:

**Reynoldsburg Style-** *Immerse yourself in the local culture, with a tour and glimpse into the arts, tourism and history that characterize Reynoldsburg and keep its economy thriving.*

**Government by the People-** *Take an up-close look at real issues facing local government and learn how to make a difference.*

**An Education in Itself-** *Learn about the issues facing our school board and the local school system. Hear about the challenge of setting educational policy for our community.*
