

***A New Date for the Taste of Reynoldsburg at Huber Park!***

The Taste of Reynoldsburg 2011 has become one of the most anticipated events in Reynoldsburg! We know you're not supposed to mess with greatness, but we are making one significant change this year... THE DATE! *The Taste of Reynoldsburg 2011 will be held on Tuesday, September 13<sup>th</sup>.* The weather *should* be a lot better at that time of year.

And this year the Taste of Reynoldsburg is going to have terrific media coverage. K95 The Hawk is the media sponsor for the event.

- The Taste of Reynoldsburg is somewhat of a misnomer. Eating isn't all we do here, we spotlight the business community, too.
- We have maintained our levels of sponsorship (**Wild West Sponsor \$500, Silver Spur Sponsor \$350, Mustang Sponsor \$150**) with really great benefits for our sponsors.
- Food vendors can sell samples for \$1-\$3. This is affordable for our guests, and helps our restaurants and caterers better cover their costs.
- For non-food vendors, this is a "selling show" where you can showcase and sell merchandise.
- The theme for this year's event - ***Hoedown at Huber***. All participants are invited to incorporate an old-fashioned country/western theme in their booths or displays. A prize will be awarded to the best booth. **The prize winner will receive a \$150 towards a Sponsorship Package for The Taste of Reynoldsburg 2012.**

As always, if you have any ideas from your past participation, we'd love to hear them. This event is for **you** - the Chamber is for **you** - so help us make this the best Taste of Reynoldsburg ever!

We look forward to hearing from you. If last year was any indication, spaces will be filling up fast and space is limited. So take this opportunity to **fill out the enclosed application and guarantee your space** at the Taste of Reynoldsburg 2011 and don't miss your chance to ***experience Hoedown at Huber!***
